# Sermons Transcribed and Available Listed by Topic

The Pulpit Exchange is a compilation of written sermons without commentary, published as often as possible, in the interests of promoting sound preaching in our conservative Anabaptist churches. All sermons have been transcribed and printed with permission. Names are removed so that we can focus on the message and content rather than on a certain speaker or style. (Names will be published in the next issue).

Messages have been selected on the basis of topic rather than the speaker. Messages have been selected from congregations or speakers within the Berea Amish Mennonite Fellowship, Conservative Mennonite Church of Ontario, Conservative Mennonite Churches of York and Adams Counties, PA., Eastern Pennsylvania Mennonite Church, Mennonite Christian Fellowship, Nationwide Fellowship Churches, Ohio Wisler Mennonite, Washington-Franklin Mennonite Conference, and certain selected unaffiliated Amish Mennonite congregations.

We welcome submission of recorded sermons, topics, school meetings, writer's meetings, and special conferences by ministry and laity (where recording is permitted) provided permission has been obtained by the speaker for the recording. Submissions must have a title, the name of the speaker and the congregation responsible for recording (date would be helpful).
